

## EXAMPLES OF THE RECYCLABLE PLASTICS #1 THROUGH #7 THAT ARE CAPTURED BY KIMBLE RECYCLING & DISPOSAL

**#1:** Soft drink bottles, water bottles, peanut butter jars, window cleaner bottles, mouth wash bottles

**#2:** Laundry detergent bottles, windshield washer fluid bottles, coffee containers, milk jugs, butter tubs, medicine bottles

**#3:** Shampoo bottles, cooking oil bottles, hand soap bottles, gladware container lids, and juice bottles

**#4:** Mustard bottles, margarine and ice cream tub tops, squeezable bottles

**#5:** Cool whip containers, gladware tubs, plastic flower pot containers, apple sauce cups, plastic cups

**#6:** Plastic cookie tray dishes, vegetable tub containers, take-away containers

**#7:** Orange juice plastic bottles, kids snack containers, some ketchup bottles

### Fiber:

Newspaper

Magazine

Corrugated cardboard

Telephone books

Mail

Printer/copier paper

Chipped board (cereal boxes)

### Non-Fiber

Aluminum cans

Aluminum trays, aluminum foil, cat food cans

Bimetal cans

Empty aerosol cans

Clear brown or green glass bottles

Plastic containers marked #1 to #7

**1-800-201-0005**

### **NO SORTING NEEDED! PUT ALL YOUR RECYCLABLES IN YOUR KIMBLE TOTE!**

There is no need to bundle your newspapers, cardboard and other materials separately. We do encourage you rinse your recyclable containers to help reduce odors, insect attraction, liquid soiling of fiber products and rejection of containers at the recycling plant.

Look for the recycling symbols embedded at the bottom of most plastics bottles to identify the #1 - #7 recyclable plastics. All the recyclable items can be mixed together in your recycling container. The recyclables will be segregated and prepared for market at our recycling facility. **Thank you for helping make your community recycling program a success!**

*We do not recycle paint cans, or anti-freeze and motor oil containers. We do not recycle wax cartons, batteries, light bulbs, or wire hangers. With regard to plastics #1 through #7, we recycle the rigid containers used for food, beverage, and health and beauty aid products, but not plastic bags, Styrofoam, toys, or plastic utensils.*

Kimble works hard to preserve precious landfill capacity by recycling nearly 350,000 pounds of post-consumer waste EACH DAY! We are excited to continue the curbside collection program for the residents of Green. We encourage participation in this program which provides residents a convenient way to help the environment, while helping the City earn charitable donations from Kimble. Kimble tracks and reports the amount of recyclables collected from residents, and in turn makes charitable donations at the discretion of the Village based on total tons recycled.

Recyclables will be collected **EVERY-OTHER-WEEK** by a separate recycling truck. Simply place your recycling tote next to your trash items on collection day. Leave three feet of space between recycling tote and other objects, with lid opening facing the street.

To assist you, the recycling pickup schedule is shown above. All recyclables collected in the City will be taken to the Kimble Recycling facility to be processed, segregated and returned to market. Thank you for helping make Green’s recycling program a success.
