**CITY OF GREEN MUNICIPAL INCOME TAX
EFFECTIVE AUGUST 1, 1992**

The City Council passed Ordinance No. 92-11 effective August 1, 1992, enacting a one percent (1%) income tax. **(Citizens voted to increase the income tax to (2%) two percent effective January 1, 2004).**

The municipal income tax is required to be filed and paid by: all residents and part year residents age eighteen or older at the end of the year; all non-residents receiving compensation for work done or services performed in the City whose employer did not fully withhold Green Income Tax; non-residents owning rental property in the City; real estate agents and insurance agents who work for a broker located in the City; businesses, contractors, and subcontractors located or doing business in the City. A credit of up to two percent (2%) will be allowed for taxes paid by residents of Green to another municipality. The tax also applies to net profits of corporations, partnerships, and businesses located or doing business in the City of Green.

The following forms of income are taxable: earned income (salaries, wages, commissions including wage continuation plans for sick pay, vacations, deferred compensation, etc.) tips, distributive share of net profits of a partnership or subchapter "S" corporation which is not taxed as an entity in Green, net profits from a business, net rental income, gas & oil royalties, and income from lotteries which is subject to taxation by IRS.

The following items of income are **not** taxable: pensions (both public & private), annuities, interest income, capital gains on investments and other unearned income including alimony and child support, proceeds from insurance, welfare, unemployment benefit payments paid by the State of Ohio. Also exempt is military pay and allowances for active duty with the armed forces.
