

Getting 'Round: Three Ways to Access Acme Fresh Market and Surrounding Retailers

With lane closures and part of Franks Parkway closed due to construction, here are alternative ways to access these plazas.

1 Main Entrance

During busy periods, consider turning on Graybill instead and access the businesses from the Graybill entrance or Franks Parkway.

2 Entrance on Graybill

This option leads right into the south plaza (Acme) parking lot near your destination if you are heading to a business within the south plaza.

3 Entrance onto Franks Parkway from Graybill

This may be the easiest alternative route to get to Chipotle, Summa Health and the north plaza (Starbucks).
